

# *2017 Spring Pro Vision update*

*You will be like a well watered Garden, like a spring of water, whose waters never fail. Isaiah  
58:11*

The vibrant colors of Spring make us very energetic. Every Season is so different and can look the same in people eyes.

We are very encouraged with what we have done in this season. We started a Human Trafficking course for teenagers at the new school in Senereus and with the Night Shelter teens. We did 12 classes with a lot of new lessons, experiments and exercises which help them to better understand the pressures and undercover danger that surrounds them. The lack of education and poverty exposes these children and puts them at high risk.

We were visited by a team from Nashville, Tennessee which came to our local church: they served with the Reghin group and in the Night Shelter program. They prayed over them and blessed us in a Godly way. It was a very encouraging time with them.

Salvation is our expectation and to bring the people we work with to put their faith in Christ. We reclaim every season in this world full of tragedy and poverty with God's love. People need Hope and as we bring them good news and practical action, it gives them courage for tomorrow.

*Elena and her baby-she was born with multiple difficulties and she needed a lot help and prayers*

*Our families got weekly food*

**The Agristeu and Filitelnic programs flourish also: we continue catering and an afterschool program. By this the children are encouraged to not abandon the school and are having some hot meals too.**

**We did some specific events for this time of the year: Mother's Day on March 8<sup>th</sup>, Easter and at the end of April we celebrated Children's Day. Many children are being neglected every day and sometimes not-loved, so we bring joy into their life and significant value.**

*Celebrate Childrens day*

*Afterschool and catering for Filitelnic and Agristeu school*

**Our MTLapartment(Mentor/Train/Launch) boys are doing good: they work very hard and Marian, last week got promotion at his job. Janos specialization in States accomplish one of his dream to visit US. We celebrate each progress with them.**

**We are ready for Summer:** first week of camp will be hosted by Rozmarin day center, where 60 school children are invited and 30 more from the Night Shelter. Pray for an awesome week with Romanian volunteers: *Adventure on four wheels!*

The next 2 weeks of camp we will have a great team brought by Sarah Moore, our intern in 2015/2016. They are a group of 9 from her church in Colorado and will bring lots of energy to our camps in Agristeu and Filitelnic. Their theme is *Kingdom Kids* and the lessons will teach the children about how special they are and how God wants to be their Heavenly Father.

August is planned for young adults vacation with our friend Dienie Kotze from South Africa.

**Please pray for an excellent summer, for transformation in the children and young adult's lives, and for resources and provision.**

*We want express our gratitude to our partners Kairos Foundation, all sponsors, friend who help, support, pray and work hard to make our mission possible.*
